INSTRUCTIONS TO VENDOR:

This purchase is governed by the University of Mississippi terms and conditions as listed on our website: <http://procurement.olemiss.edu>.

Shipments - All shipments associated with this purchase order should have the purchase order number clearly displayed on the shipping label and the packing list.

Invoices - Show purchase order number on invoice. Discount period to be calculated from date invoice or material is received, whichever is later. F.O.B Destination, Freight Prepaid, & Allowed.

Substitutions - Substitutions or price increases will not be accepted without prior written approval of the Director of Procurement. Any deviation in the original specification and/or price by the vendor will not be paid by the University unless cleared in advance by the Procurement Services Department.

Cancellation - The University of Mississippi reserves the right to cancel all or any part of the order not shipped in accordance with vendor's quotation and University of Mississippi terms and conditions.

By accepting this Purchase Order or any part of it, the vendor certifies that it, or its principals, are not debarred, suspended, or proposed for debarment by the Federal Government. Debarment, suspension, or proposed debarment by the Federal Government constitutes grounds for automatic termination of this Purchase Order.

The University of Mississippi is an equal opportunity employer. Any supplier, contractor, and subcontractor of the University must comply with Executive Order 11246 and shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a), and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability. For related information, please see the UM policy directory at www.olemiss.edu/policies.

	<p>occur during the examination. An example of this would be attempts to exit the software during the examination and the time that the examination started and stop. Also, If an examination stopped [crashed] and was restarted using the secret password to recover the contents of the examination. An error code system that shows the application errors should be available. Test taker's information, when beginning each examination, should be required to enter their secret code ID twice and select the proper examination from a list of available examinations listed twice. This is to reduce the chance of examination taker error. The secure exam application should have a web site that allows uploading to semester's available examinations and be incorporated into the application before student downloading.</p> <p>The Student Honor Code should be display at some point before getting into the typing area of the secure examination application.</p> <p>*Per Invoice #2016-ls700-1</p>
